

Guestdriver.com Rides for a Reason!

GuestDriver Team raises funds for the Flickinger Learning Center

July 2016 - GuestDriver, primarily involved in sports car racing and performance driving events, changed their helmets and put together a team to ride in the recent Ragbrai 2016, an annual seven day bicycle ride across the state of Iowa that is also the oldest, largest and longest bicycle touring event in the world.

The GuestDriver team rode to raise funds to support the Flickinger Learning Center in Muscatine, Iowa. Flickinger gives at risk and under privileged children and adults the chance to have a safe and encouraging environment for learning by providing after school tutoring and an afternoon meal for kindergarten through 5th grade students.

“Our helmets were different, but our commitment to finish was the same – total!” said Doug Grunnet, president of GuestDriver.com. “We not only had a great time, but were delighted to be able to present a check for \$13,455 to the Flickinger Learning Center. Plus these funds were matched at approximately 3 to 1- \$37,692, by the Howe Foundation of Muscatine, Iowa, making a total contribution of \$51,147, to a great organization.”

About GuestDriver.com

GuestDriver.com puts you in the driver's seat, providing performance driving experience for groups or individuals. This is perfect entertainment for executive appreciation, also a distinctive way to show your gratitude to customers, or to inspire employees to lead the pack. GuestDriver provides an exceptional presentation and meeting atmosphere, and complete catering and classroom facilities. Perfect for individuals or small groups, customizable one or two day event schedules are available. Participants drive on the Autobahn Motorsports Track in Joliet, IL, using the same cars the team races. www.guestdriver.com

About Flickinger Learning Center

The Flickinger Learning Center opened in the fall of 2003 for the purpose of providing a safe place for after school activities. They also began a partnership with Muscatine Community College in the area of G.E.D. tutoring. With the help of this after school program, there have been dramatic improvements in test scores as verified by the Muscatine Community School District. With continued community support, Flickinger Learning Center will, continue to grow and expand providing educational assistance to those who need it. www.flickingerlc.com
