

A Winning Debut From GuestDriver.com MX-5 GT #55

June, 2016 – Autobahn Country Club

The 2016 ALM Enduro Series opened with a 3.5 hour event on June 11, 2016. The field was made up of GT1, GT2, GT3, Spec Miata and was filled with a number of very competitive race cars. The GuestDriver.com #55 running in GT1 qualified 3rd on the grid, posting a 1.34.8 seconds qualifying time over the 2.2 mile circuit with 14 corners. The team with the new MX-5 GT not only performed well and won their class but won the **overall event as well!**

Drivers Doug Grunnet and Tony Kester were put through their paces during this first test of the new MX-5 GT. In spite of temperatures running 95° with 100% humidity, and their cool suit pump not working, pit stops not as smooth as usual, and a few minor stumbles, they learned a lot about the capabilities of the new race car and came through as **WINNERS**.

GuestDriver.com expresses special thanks to Eurosport Racing (Joliet, IL), MiataCage, JRZ Suspension Engineering, Hoosier Racing Tires, and Moto East Tuning. Also a big thank you to all of their sponsors including: ALM Positioners, Hawk Mazda, Braille Battery, TraqGear and Pro-System.

Next up for GuestDriver.com #55 is August 13, 2016, at the ALM Enduro Series 5 Hour Race Into the Night..
